

INVERNO 2019

PASSAGEIRO DO FUTURO

Inspirados pelos avanços tecnológicos que elevam o fitness a novos patamares, trazemos uma proposta futurista para nosso Inverno.

Sofisticação, versatilidade em designs inteligentes, composições lineares e superfícies brilhantes.

Mais do que um visual moderno, apresentamos peças multifuncionais que esbanjam conforto para tornar ainda mais prazerosa a sua experiência.

O seu corpo, do seu jeito, no seu ritmo.
